The role...

As a Senior SAP SD Consultant, you will play a crucial role in maintaining and optimizing the SAP SD landscape within the organization, focusing on both SAP ECC and SAP S/4HANA environments.

How you'll make an impact...

- Serve as the primary internal consultant for the SAP SD (Sales and Distribution) module, providing in-depth knowledge and support for all related processes and configurations
- Perform detailed customizing and configuration of the SAP SD module to meet business requirements, including pricing, billing, shipping, credit management, and sales order processing
- Assist in the design, testing, and implementation of new SAP SD functionalities and configurations, ensuring they meet business requirements related to sales, distribution, and order processing
- Work closely with other SAP module teams (e.g., MM, FI, PP) and external application teams to ensure seamless integration and data flow within the SAP landscape
- Support brownfield conversion project from SAP ECC to SAP S/4HANA and documentation

What do you bring...

- 5+ years of experience in SAP SD consulting or support roles, with strong experience in both SAP ECC and SAP S/4HANA environments
- Strong functional knowledge of the SAP SD module, including customizing and configuration of key processes like pricing, billing, shipping, credit management, and sales order processing
- Experience in supporting brownfield conversion projects from SAP ECC to SAP S/4HANA, including process optimization
- Familiarity with SAP integration techniques relevant to SD, such as IDocs, BAPIs, and middleware solutions
- Familiarity with SAP Activate methodology for S/4HANA conversions
- Proficient in English language, any skills German, Spanish or Croatian is a plus

What do we offer?

- Company contribution of 50% to an annual rail pass and the employee also receives the entire transport network (ZVV/Ostwind)
- Contribution and support from the company for internal and external further education
- Home office options in accordance with guidelines
- Private insurance in case of accident
- Own cafeteria with food options at reasonable prices
- Central location in the middle of Rapperswil with close public transport connections and many restaurants and shopping opportunities

We look forward to hearing from you soon!
